

※The new ATEM stands for The Association for Teaching English through Multimedia,
which is now called in Japanese "Eizo Eigo Kyouiku Gakkai."

◆ The 16th ATEM Nishinohon Chapter Meeting ◆
Call for presentations

ATEM Nishinohon Chapter will hold the 15th Chapter Meeting on Saturday, March 2, 2019 at Kyoto Women's University.

1. Research areas

ATEM Nishinohon Chapter calls for presentations from various fields of study including English education, linguistics, literature, culture studies, media studies, cross-cultural communication studies etc. Given the nature of the association, it is suggested that the presentations include reference to a specific film / films or other visual media (e.g. TED, drama, news reports) and their use, in particular, their relation to English education.

2. Submission requirements

2.1 Presentation Types

- (1) Research paper : 25 minutes including 5-10 minutes for Q & A
- (2) Classroom report : 25 minutes including 5-10 minutes for Q & A
- (3) Workshop: 60 minutes
- (4) Poster presentation: Poster should be A0 (vertical) in size. 40 minutes (the designated poster session period)

2.2 Eligibility

- (1) The presenter must meet the qualifications of a or b:
 - a. An ATEM member who has paid the fiscal year 2017 membership fee.
 - b. A non-ATEM member who is going to pay "the presentation fee" (2,000 yen) at the registration.
- ※This applies to each member of a group presentation.

3. Application procedure

Send your abstract with the following information via e-mail to makoto.imura@oit.ac.jp no later than November 30, 2018. Notification of acceptance will be sent to each applicant around mid-January via e-mail.

- ① Name
- ② Affiliation
- ③ E-mail
- ④ Presentation Type
- ⑤ Presentation Title
- ⑥ Language
- ⑦ Equipment
- ⑧ Abstract (Japanese 800 letters; English 400 words)

- 1) Please specify your goals or objectives of your presentation in your title, for example, how you will use movies to teach what, or what you can find out through movies, etc.
- 2) Please include the types (film, TED, news report, etc.) and titles of the visual media relevant to your research.
